A Couple GFWBA Members Along With a Fort Worth Police Officer Answer A Need for a Veteran

Fort Worth Police Officer Joe Pena (a Marine Corps veteran), identified a retired Marine and Vietnam veteran who was in need of a ramp for his home to have access to the outdoors. Three members of the Greater Fort Worth Builders Association joined forces with Officer Pena to get this ramp built. We would like to recognize and thank Officer Pena and Charles Lauersdorf of Realty Pro Shots, who both served in the Marine Corps, for identifying a fellow Marine in need and organizing a team to get the job done. We thank you all for your service to the U.S.A. We also want to recognize the two GFWBA builder members who have so generously given of their time and effort to make this ramp a reality. Thank you Mike Garabedian of Garabedian Properties and Eason Maykus of Maykus Custom Homes! Great job guys.

April 25, 2018

Dear GFWBA Members,

We are excited to announce that upon recommendation of the Executive Committee and approval from the GFWBA Board of Directors at their April meeting, the GFWBA has entered into a promotional partnership in the 2018 FW Home September publication with Panther City Media Group, publisher of Fort Worth Magazine, FW Inc. and FW Home. The FWHome magazine is packaged quarterly with the Fort Worth Magazine which has a circulation of 10,000.

Inside the publication there will be a special advertising section that will showcase some of the best home design, construction and décor created **exclusively by members of the Greater Fort Worth Builders Association.** Members will have the opportunity to advertise in this publication at a discounted rate. Additionally, there will be a section inside the publication that will contain a directory listing only GFWBA members. This partnership will also offer GFWBA members the opportunity to enter to win the second annual FWHome Design Awards coming this December as well as receive inside access to participate in The Fort Worth Magazine's Dream Home coming to Walsh Ranch in early 2019 that will be built by GFWBA member Sean Knight.

GFWBA President, Don Allen, anticipates that this partnership will benefit our association and our Builder and Associate members.

Who reads FWHome?

- $271,669 average household income
- $1,980,000 average net worth
- $324,000 average value of home
- 58% female / 42% male
- 50 average age
- Readers are **5.6x** more likely to **buy a new home** than our nearest competitor and **42%** intend to **make home improvements** in the next 12 months (Media Audit)
- **73.4%** of readers often purchase products and services from our advertisers (CVC)

Look for emails coming soon from Fort Worth Magazine sharing more about the upcoming September's FWHome publication and how you can take advantage of special rates for the exclusive section.

Sincerely,

Kimberly Eaton-Pregler

Bringing Housing Home 2018

NAHB's Bringing Housing Home will take place soon. Members of the GFWBA Government Affairs Committee will attend in-district meetings April 30 – May 5, 2018.

This is an opportunity for members to conduct in-district meetings with their U.S. representatives and senators. These meetings, especially important during each election year, are key to strengthening relationships with lawmakers and to keep housing issues as a priority in Congress.

Thank you!!!

TAB Contracts

Texas Association of Builders contracts package was designed to help protect you!

In addition to addressing new legislatively mandated notice requirements for homes built near military installations, many additions and improvements were made to the 2017 - 2019 package, including:

- warranty parameters on foreclosures and rental properties;
- clarification of applicable code standards and builder obligations;
- recovery of certain attorneys' fees;
- a technology disclaimer for smart homes;
- revisions to the independent contractor agreements; and
- updates to the Express Home Warranty to reflect current building practices.

Protect yourself & your business by purchasing the contracts today!

The 2015-17 contracts are outdated.
