MARKETING GUIDE

This guide is accurate as of print date

Where would you like to take your association membership in the upcoming year? Are you looking to target custom home builders? Remodelers? Single family builders? Would you like to be present at large formal events such as Municipal Awards Night, Economic Forecast, or the Installation and Awards Banquet? Do you prefer to network in a more casual setting, such as one of our golf tournaments, the Clay Shoot Challenge, a Young Professionals event, or a Business After Hours?

This Marketing Guide will serve as your road map on how to add value to your membership, build relationships, and generate recognition for your company in front of your industry peers. The association provides members an abundance of ways to achieve professional development and recognition.

But the sheer number of events and opportunities can be overwhelming, so we have produced this guide to help you plan your involvement for 2019 in advance. The GFWBA Marketing Guide highlights the majority of events produced by your association throughout the course of the year.

All opportunities featured are accompanied by descriptions to give you a better idea of what the event/publication/seminar is all about. Each marketing opportunity not only includes an investment amount, but also the recognition you can expect in return. Getting the most from your membership also means getting involved. We invite you to consider joining a committee that will lead you to that pivotal next step of building relationships and potential leadership positions at the local, state and national levels.

We hope that you look to 2019 with as much anticipation as we do. If you have questions regarding an opportunity published in this guide, please contact **Kimberly Eaton-Pregler at 817-284-3566.**

GOVERNMENT AFFAIRS COMMITTEE

The GFWBA Government Affairs committee covers local city, county, state, and federal issues, and works to protect the industry from onerous regulations that could raise the cost of housing in our 7 county area (Tarrant, Johnson, Parker, Wise, Hood, Somervell, Palo Pinto). In coordination with the GFWBA staff, the committee works hard to:

- Monitor and review codes, ordinances and legislation which directly impacts the homebuilding industry.
- Communicate with elected officials and policy makers regarding our industry issues.
- Formulate and advocate for needed changes.
- Educate members of the association about current issues, new laws, regulatory and administrative matters.

The committee works closely with the Texas Association of Builders on state issues and has direct contact with the state legislators in our area, as well as county and city officials. Although the program's primary focus is at the state and local levels, the committee monitors and provides input on federal legislation and agency activity directly to our Federal officials and through the National Association of Homebuilders.

The GFWBA Government Affairs Committee meets on the second Tuesday of each month. To get involved, contact **Kimberly Eaton-Pregler (817) 284-3566**.

ASSOCIATES APPRECIATION NIGHT

SEPTEMBER 12, 2019

Joe T. Garcia's

Every September the Greater Fort Worth Builders Association unites with the National Association of Home Builders (NAHB) to recognize the countless hours of volunteerism and support donated by our Associate members during the "Associate Members Appreciation Month".

Their unselfish sense of caring and desire to strengthen our industry has yielded untold direct and indirect benefits and returns to the Greater Fort Worth Builders Association, consumers, and home builders alike. The achievements of our Associate members have always, and will continue to be, an essential part of our proud history, tradition, and spirit.

Among the ranks of associate members are subcontractors, sales and marketing specialists, architects, interior designers, title and settlement experts, lawyers, people in the financial services industry, product suppliers and manufacturers, and many more who are essential to the challenging task of providing housing for a growing population.

Associate members are essential to the Greater Fort Worth Builders Association and NAHB through sponsorships, devoting countless hours at committee meetings and volunteering at special events, and strengthening our industry in the process. In fact, associate members are responsible for the largest amount of revenue brought into the Greater Fort Worth Builders Association.

Most importantly, our associate members help broaden our perspective so that we can assess issues more objectively in the context of our entire industry.

BUILDER DONATIONS NEEDED

We are calling upon Builder members of the Greater Fort Worth Builders Association to join us in recognizing the countless contributions of our Associate Members by donating at least \$100 to our 2019 Associates Appreciation Night at Joe T. Garcia's in Fort Worth, TX. This event is open to your attendance through sponsorship and is widely regarded as one of the best events during the year and the perfect opportunity to show our associate members how much our Builder community appreciates their work and support.
