

BOARD OF DIRECTORS

The Board of Directors is the governing body of the Association and performs those duties prescribed by the Texas Business Organizations Code and the duties prescribed by our Bylaws. The Board is responsible for establishing general policies for the management and ongoing operations of the Association.

The Board consists of Builder and Associate members. Members of the Executive Committee are not elected to the Board. Also included on the Board of Directors are the GFWBA Past Presidents and GFWBA Life Directors.

If you are a Builder or Associate Member and would be willing to serve on the Board of Directors, please contact [Kimberly Eaton-Pregler](#), Executive Vice President. Your name will be given to the Nominating Committee for consideration in the next election.
