## GFWBA Job Posting Board

The Greater Fort Worth Builders Association has created a job posting board as a free service to members. GFWBA members can post available jobs on the board, or staff can help them. The postings will be viewable by the public. To view the current job postings, or to add a job posting, visit <https://gfwbatx.com/Job-Postings>

Position available for a Part Time Membership Director.

# LETTER FROM THE PRESIDENT

**Cheryl Bean**

Dear Fellow GFWBA Members,

2022 has arrived and GFWBA is moving forward on the initiatives set forth in the fall as well as other ventures already planned.

We have laid the groundwork and hope to launch the "Find-A-Builder" Campaign in May 2022. This effort will provide a direct link between prospective clients and builders/remodelers. Specifically, we are creating a new first page to the GFWBA website that is optimized via state-of-art search engines to "capture" people searching for a builder/remodeler in a specific area and price point to a list of the GFWBA builders/remodelers that can meet their needs. For each builder/remodeler, there will be a website link to their individual websites. Another aspect of the "Find-A-Builder" campaign launch is more advertising opportunities. Each builder will have the opportunity to be featured in the slide show on the new website page. This will give all of our builder members a higher degree of visibility and opportunities to prospective clients.

As a separate part of this launch, we are creating a new GFWBA "brand" that includes our current GFWBA logo with a QR code that drives clients to our website. A sticker with this new Brand as well as electronic versions will be available by mid-March. We are asking all Builder Members to proudly display this new brand on their signs, websites, advertisements, and communications. By doing so, it will set GFWBA members apart from the total population of builders/remodelers in our counties. Assuming that most GFWBA members proudly display this brand, it should be a distinguishing "brand" with inherent credibility over non-member builders.

We will need all Builder members' help filling out a builder information form so that we can direct prospective clients to you and your website. This information will include the zip codes you predominantly work in, the type of work you do and corresponding price points, years of experience, and years as member of GFWBA. You can expect to see instructions on this by mid-March.

Regarding our efforts to promote GFWBA public relations exposure and membership, we have prepared and published a new staff position on multiple hiring websites such as Linked-in and Zip Recruiter. A copy of the job posting is available on our website and we would appreciate any leads that our members may have.

Our lease at the Water Gardens building is expiring in October 2022. After reviewing the lease and purchase opportunities available, we have decided to extend our lease at the current location. Hopefully, 2023 will provide a more cost-effective environment for change and upgrade.

We still need a volunteer to be the GFWBA interface with Tarrant County College student chapter. Getting to know the students at this and other nearby colleges will help fill our staffing needs in the years to come. The student chapters are interested in speakers, internships, and just exposure to builders and associates. If you are interested in serving in this area, please contact Kimberly or myself.

The Showcase Home for 2021 is scheduled to close within the next 30 days. To my knowledge, GFWBA will make the largest profit margin on this showcase house. Thank you to Maykus Homes and Eason Maykus. Now it is time to move forward on the next showcase home. If interested, please contact Eason

or myself.

Government Affairs and Hammer & Nails PAC are engaged in the upcoming elections as well as the Impact Fees currently under review at the city. These activities have a significant impact on the affordability and viability of building opportunities in our areas. This group meets the second Tuesday of each month and all are welcome to attend and participate. Please RSVP to Kimberly so you will also get a free lunch.

Several events have occurred and/or upcoming:

- The Economic Forecast – a sold-out crowd attended to hear the good news on the building industry in the DFW area.
- International Builders Show (IBS) – Scheduled for Feb 8-10th in Orlando, Florida is offering great speakers and a huge number of vendors. At this point, a lower quantity of attendees is expected which should lead to a less-crowded experience this year.
- Education – “I already paid for that, lost my deposit due to supply chain issues” class is coming Feb 23rd at lunch. Sign up quickly to hear this critical, relevant information and how to handle it.
- Municipal Night – featuring Congresswoman Beth VanDyke is scheduled for May 26th at Ridgley Country Club. Tickets will go on sale soon. You will not want to miss this event.
- Santa Claus project by the Young Professionals that provided bicycles and gifts to needy children this Christmas.

Finally, I am very hopeful that the “weird” couple of Covid years that we have been experiencing are coming to an end. My prayer for all of you in 2022 is good health and prosperous times.

Cheryl
