# LETTER FROM THE PRESIDENT

**Cheryl Bean**

Dear Fellow GFWBA Members,

As my first letter to the members, I wanted to express how excited and honored I am to be able to serve as your president this year. It is my goal to expand upon the legacy GFWBA has for serving the residential building community and its members.

In particular, there are five initiatives which I want to focus on this year:

- Promote public and building professional awareness and support for GFWBA
- Develop a leadership succession plan for the next generation of GFWBA
- Start initiative to expand our workforce thru working with local high schools & colleges to develop skilled new workers
- Continue to promote our work with the state and local level officials and staffers via Hammer & Nails PAC and Gov't Affairs
- Explore new "home" office opportunities for GFWBA that would be conveniently located, economical, and provide more meeting space.
- I am pleased to state that we are already making progress in these areas. We have already had multiple volunteers engage on these initiatives.

In terms of promoting GFWBA to the public and future membership, we have developed the basic guidelines to hire a new part time staff member to help with membership and public relationships. We have started laying the groundwork to introduce a "Find a Builder" program that will bring clients to our website and thus our members.

Over the last couple of months, GFWBA has sponsored several successful and fun events including:

- Car Show ... hosted by the Associates committee that featured over 30 unique vehicles
- Past Presidents' Luncheon ... hosted by StrucSure Home Warranty, Pinnacle Bank, and Gary Dollgener at Joe T Garcia's where over 20 previous presidents laughed and told stories from the last 30 years at GFWBA
- Santa Claus project by the Young Professionals that provided bicycles and gifts to needy children this Christmas.

The Showcase Home for 2021 is very near completion with the Partner Event on December 17th. Eason Maykus with Maykus homes has done an outstanding job on this house. We stand to make the largest profit margins on this house for GFWBA in many years ... Congratulations and Thank you Eason.

As we move into the holiday season, I want to thank all of the volunteers who give freely of their time and resources to support GFWBA and its members as well as to give back to our community at large. We truly have generous members. I also want to thank our great staff that works tirelessly to support our endeavors throughout the year.

Hope you all have a very Merry Christmas and Happy New Year. I'll see you in 2022.

Cheryl
