

Membership Committee

The Membership Committee has the duty and responsibility for recommending policy to the Board in the area of Membership. The committee promotes increased number of members and the quality of membership, proposes and develops information meetings between members, Directors, Officers, and staff, reviews and recommends member services and education program to the Board in conjunction with staff, has the responsibility of planning various membership activities, and recommends action to the Board on all applications for membership.

The committee meets once a month. All GFWBA members are welcome to attend the Membership Committee meetings. This

If you are a GFWBA Member and would like to join this committee, please contact [Kaitlin Smith](#), Business Development Representative or [Kimberly Eaton-Pregler](#), Executive Vice President.
