

# Showcase Home Committee

Chair: John Montgomery, Montesello Homes

The Showcase Home is one of the GFWBA's largest fundraisers. This is an extraordinary opportunity for members to show off their products or services and receive valuable marketing benefits throughout the construction project and beyond.

The current Showcase Home is being build by B.R. Avery Homes.

If you are a GFWBA Builder and would like to build a future Showcase Home, or if you are an Associate member and would like to provide products or services for a future Showcase Home, please contact [Kimberly Eaton-Pregler](#), Executive Vice President. Your information will be forwarded to the chair for consideration.
